# Life expectancy at birth: trends

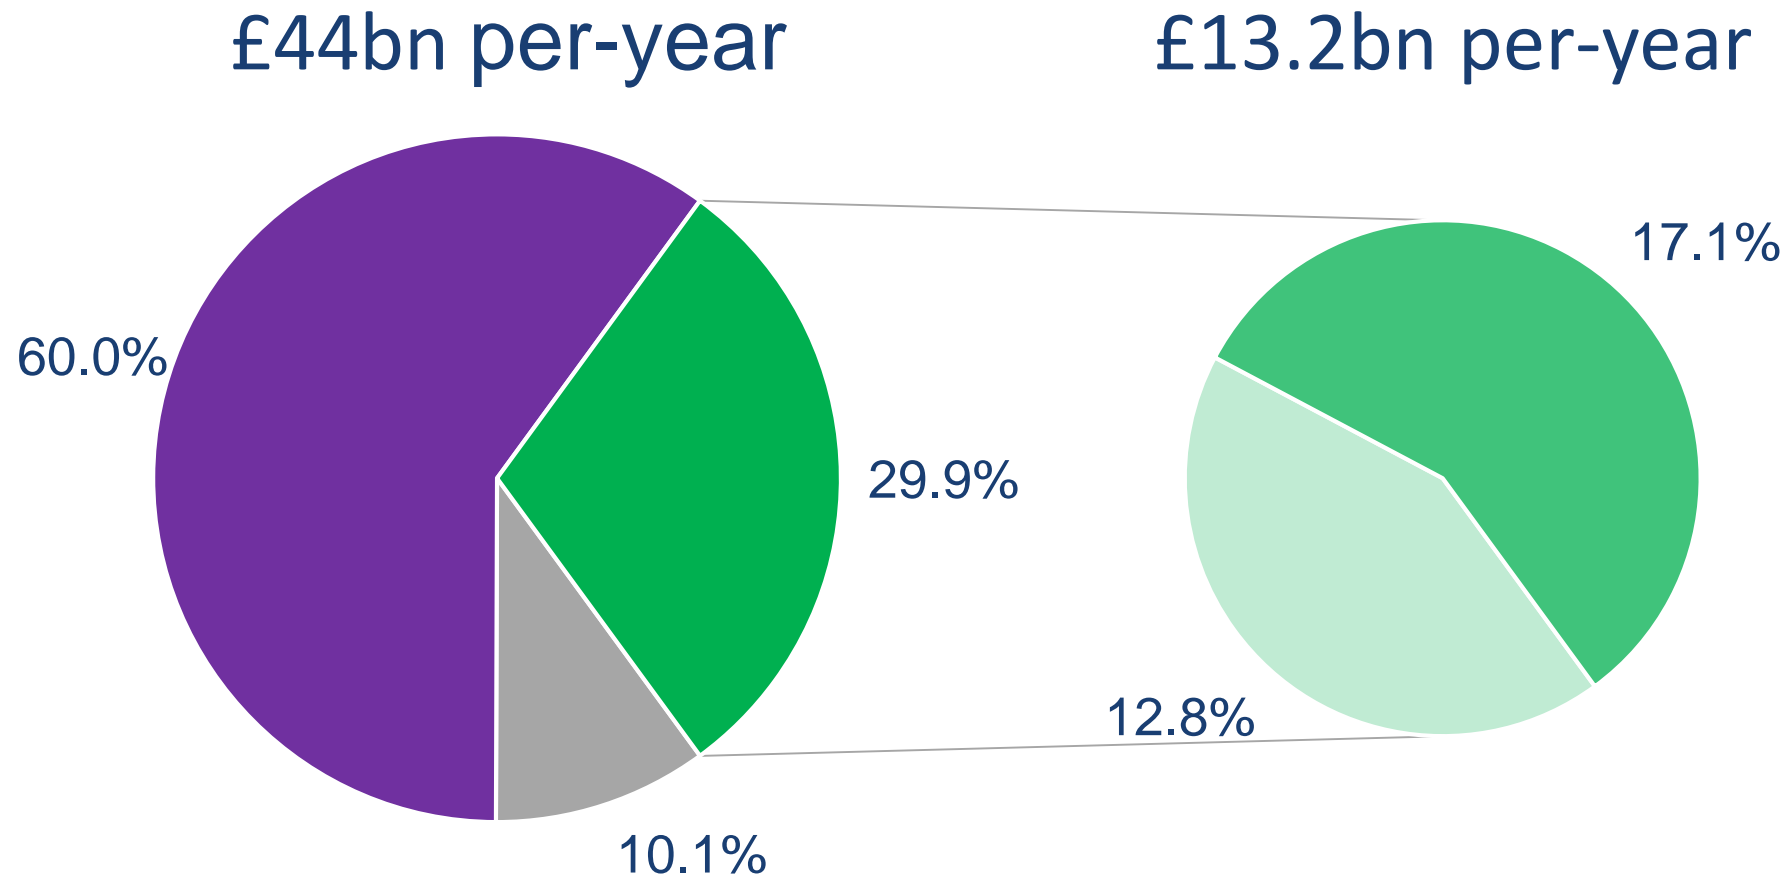

GM bucked the overall 'Northern trend' through Devolution

# Economic productivity: trends

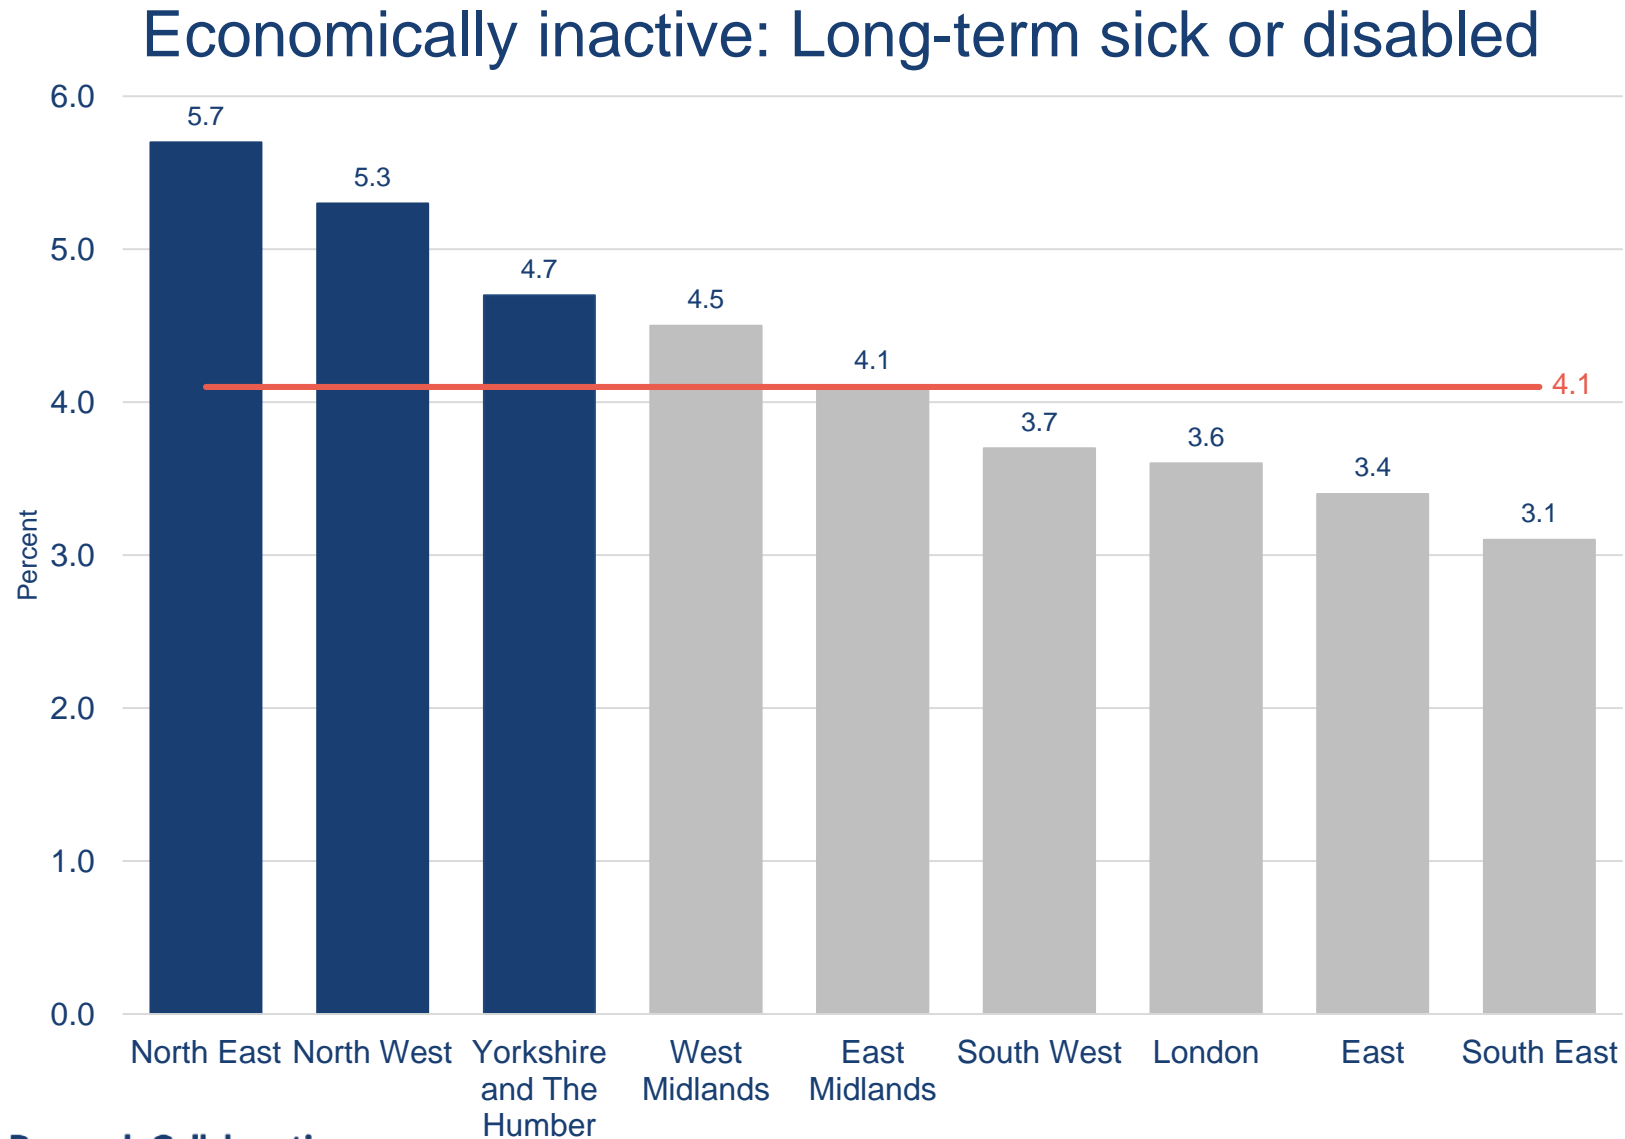

# Are the trends associated?

■ Unexplained ■ Other factors ■ Mortality ■ Morbidity

# A potential explanation?

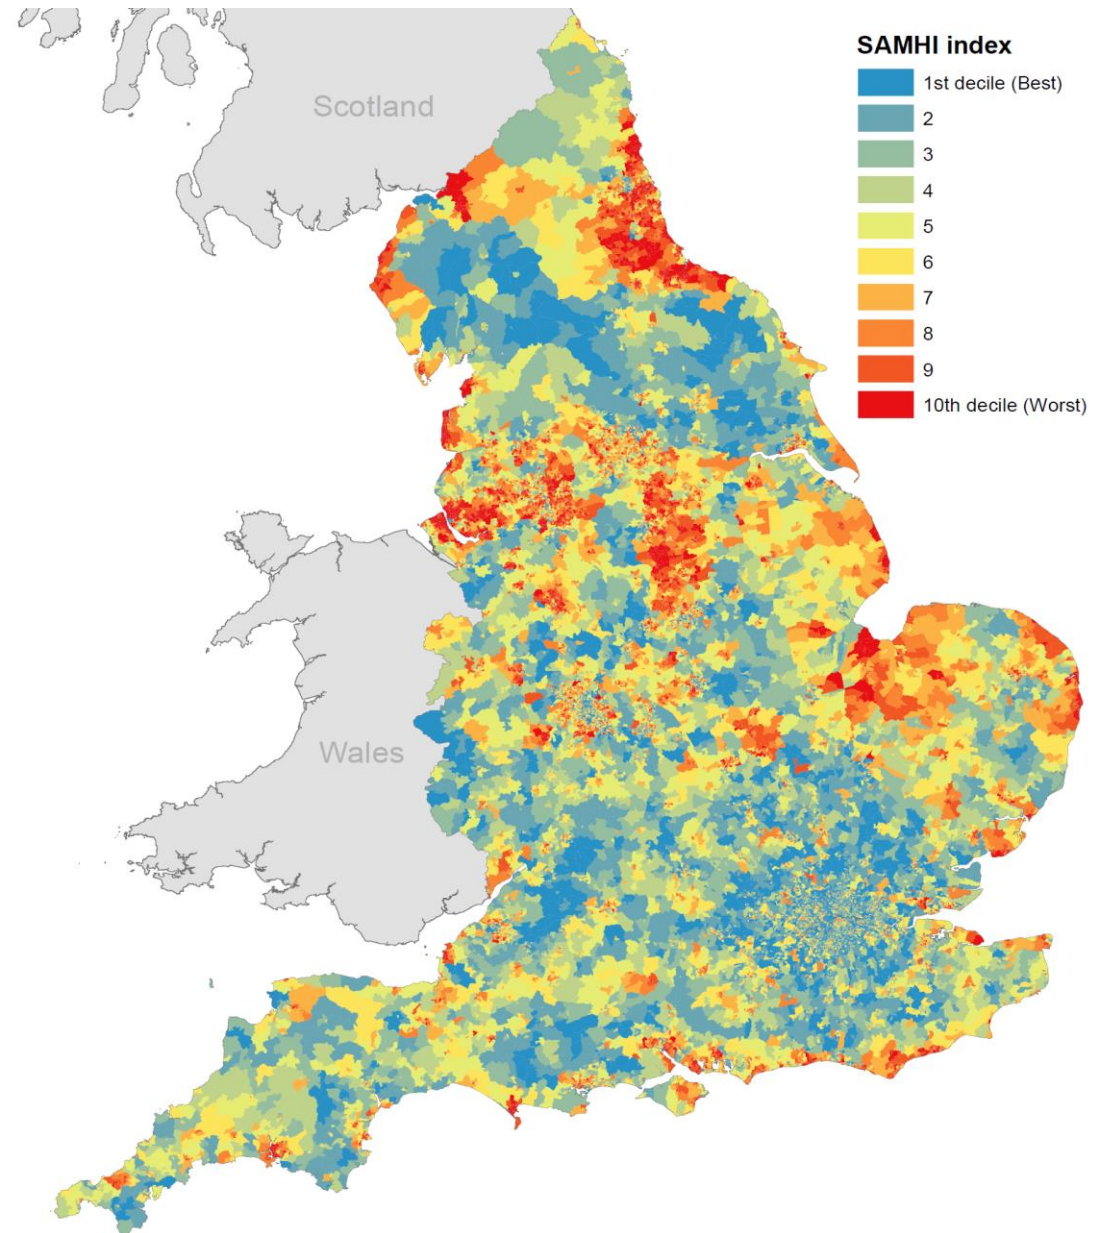

# Work about to start – Mental Health

SAMHI developed by colleagues at University of Liverpool

- Composite index of many facets of mental health

The Productivity Institute have funded us to examine if mental health and economic productivity are associated

- If so, what can we do about it?

- Happy to chat about inequalities in health and economic outcomes
