

## Data Sharing in a Pandemic - End of jury questionnaire

**Please complete every question and then press "Done"**

\* 1. What is your juror number (on the cover of your binder)?

\* 2. What are your initials?

## Data Sharing in a Pandemic - End of jury questionnaire

\* 3. How interesting did you find the jury process?

- Very interesting
- Mostly interesting
- Neither interesting nor dull
- Mostly dull
- Very dull

Comment

\* 4. How easy or difficult did you find doing the jury remotely and online?

- Very easy
- Mostly easy
- Neither easy nor difficult
- Mostly difficult
- Very difficult

Comment

5. Do you have any suggestions to help us improve the online jury experience in future (e.g. different session lengths)?

\* 6. Overall, what was it like participating in the citizens' jury over the two weeks? Please say 3 things in 3 single words to sum up your experience.

Word 1

Word 2

Word 3

\* 7. Thinking about your confidential NHS and social care information, please indicate how concerned you are about:

Data being shared unlawfully or accidentally with organisations outside of the NHS and care system.

- I don't know/I haven't really thought about this
- I am very concerned about this
- I am quite concerned about this
- I am not really concerned about this

## Data Sharing in a Pandemic - End of jury questionnaire

\* 8. Did you ever feel that the jury facilitators (Kyle and Sarah) or other organisers tried to influence you towards particular conclusions?

- Not at all
- Perhaps occasionally
- Sometimes
- Often
- Very often

If you did feel there was bias, please explain

\* 9. You heard evidence to both support and be concerned about the data sharing initiatives and their future. Overall, how fair a balance of evidence do you feel you heard over the two weeks?

- overall I felt there was a fair balance of evidence
- overall there might have been some bias towards support for the data sharing initiatives
- overall there might have been some bias towards concern about the data sharing initiatives
- I sometimes thought there was some bias but there was no pattern across the initiatives

If you did feel there was bias, please explain

\* 10. There were researchers observing your group work. To what extent did this interfere with you participating fully (if at all)?

- Not at all
- Perhaps occasionally
- Sometimes
- Often
- Very often

If you did feel there was a problem, please explain

\* 11. Excluding the research observers, did you feel you were encouraged to participate in the process?

- Very much encouraged
- Mostly encouraged
- Neither encouraged or discouraged
- Mostly discouraged
- Very much discouraged
