

Are you a mother, father or carer of a child with obsessive- compulsive disorder (OCD)?

Would you be willing to complete a 10–15 minute online questionnaire?

Participation will help develop a new questionnaire to
understand the experiences of caring for a child with OCD

Scan the QR code or visit:
https://www.qualtrics.manchester.ac.uk/jfe/form/SV_8tOmwQuOv6Hcqfs

Who can take part?

- You are a mother, father or carer (adult with parental responsibility) of a child with OCD aged 8–18
- You live in the UK
