

Need to think about what is a

SAFE SPACE

What **FEELS** safe to a young person?

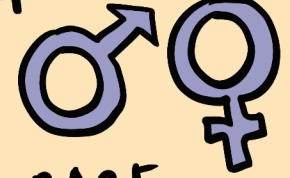

REDUCES **ANXIETY**

Think about **DIVERSITY...**

ARE ALL THE RESEARCHERS **WHITE MEN?**

Need to think about **GENDER** and **RACE...**

How might this **WORK?**
the way we

TIME

MONEY

All this requires...

Work with people that young people **TRUST**

ie youth worker, teacher etc.

People respond to **HUMAN INTERACTION**

should we use a

Need to **REACH OUT** to more people!

ie young people who are "NEET"?

Young People want to see the **CHANGE...**
